

JONATHAN ZEITLIN
CURRICULUM VITAE
(7/13/2007)

EDUCATION

Ph.D. University of Warwick (UK), Social History, 1981
M.A. University of Cambridge (UK), 1983 (honorary)
B.A. Harvard College (Summa cum Laude), Social Studies, 1977

EMPLOYMENT

University of Wisconsin-Madison, 1991-present
Professor of Sociology, Public Affairs, Political Science, and History (from April 2005)
Professor of Sociology, Public Affairs, and History (from January 2004)
Professor of History, Sociology, and Industrial Relations, 1995-2003
Associate Professor of History and Industrial Relations (with tenure) 1991-1995

Director, Center for World Affairs and the Global Economy (WAGE),
<http://www.wisc.edu/wage/>, 2004-present
Director, European Union Center of Excellence, <http://eucenter.wisc.edu/>, 1998-present
(Co-Director, 2004-5)

Birkbeck College, University of London, 1984-91
Lecturer in Modern Social and Economic History

King's College, University of Cambridge, 1980-84
Research Fellow and Project Director, "Shop Floor Bargaining, Job Control and National
Economic Performance"

VISITING APPOINTMENTS

Visiting Professor, International Center for Business and Politics, Copenhagen Business School,
January 2005-present
Visiting Scholar, Amsterdam School for Social Science Research (ASSR)/Amsterdam Institute
for Advanced Labour Studies (AIAS), July 2004
Visiting Professor, Academy of European Law/Visiting Scholar, Robert Schuman Centre for
Advanced Studies, European University Institute, Florence, July 2003.
Visiting Professor, Faculty of Economics/Graduate School of Economics, University of Tokyo,
June 2003 (postponed).
Visiting Professor (*Directeur d'Études*), École des Hautes Études en Science Sociales, Paris,
May-June 2000.

ACADEMIC HONORS, AWARDS, AND FELLOWSHIPS

Sabbatical Award, University of Wisconsin-Madison, academic year 2002-3.

Senior Research Fellowship, Center for World Affairs and the Global Economy, University of Wisconsin-Madison, 2001-4.

Newcomen Society Award, Best Article in *Enterprise and Society: The International Journal of Business History*, 2000.

Graduate School Research Award, University of Wisconsin-Madison, Summer 1999.

Jean Monnet Research Fellowship, European University, Florence, January-August 1999.

John Simon Guggenheim Memorial Fellowship, 1995.

Graduate School Research Award, University of Wisconsin-Madison, Spring-Fall 1995.

German Marshall Fund Research Fellowship, 1994.

Senior Fellow, Global Studies Research Program, University of Wisconsin-Madison, 1994-7.

Vilas Research Associate, University of Wisconsin-Madison, 1992-4.

Graduate School Research Award, University of Wisconsin-Madison, Summer 1992.

British Academy Research Award, “Industrial Relations and Technological Change in the British Engineering Industry, 1880-1922”, 1986-7.

UK Economic and Social Research Council (ESRC), New Blood Postdoctoral Fellowship, 1984-7 (declined).

Marshall Aid Commemoration Scholar (UK), 1977-80.

Phi Beta Kappa Society, 1977.

INSTITUTIONAL, RESEARCH, AND CONFERENCE GRANTS

Alfred P. Sloan Foundation, grant for consortial research project on “Global Components: Restructuring of Supply Chains in Old-Line Manufacturing Industries in the US and Europe” (co-principal investigator with Gary Herrigel, University of Chicago; Peer Hull Kristensen, Copenhagen Business School; Charles Sabel, Columbia Law School; Joshua Whitford, Columbia University; and Volker Wittke, SOFI/University of Göttingen), \$150,000. 2007-8.

Netherlands Scientific Research Council (NWO), Shifts in Governance Program Grant for project on “Governance as Learning” (co-principal investigator with Jelle Visser, University of Amsterdam; and Anton Hemerijck, Netherlands Scientific Council for Government Policy), 550,000 euros, 2004-7.

UW-Madison Center for German and European Studies, Research Collaborative on “Europeanization and Reform of National Welfare States”, funding for interactive video graduate seminar (co-taught with Kathleen Thelen, Northwestern University), visiting speaker series, 1 semester project assistant, 4 x 1 semester research assistantships, and capstone conference, \$43,500, 2004-5.

European Commission, grant to establish a European Union Center at the University of Wisconsin-Madison (co-principal investigator with David Trubek), 570,000 euros 1998-2001. Renewed for a second three-year cycle, 235,000 euros, 2001-4. Outreach grant, 2004-5, 60,000 euros.

- Alfred P. Sloan Foundation, grant for consortial research project on “Component Manufacturing: Creating an Advanced Manufacturing Sector” (co-principal investigator with Joel Rogers, Center on Wisconsin Strategy, UW-Madison; Susan Helper, Case Western Reserve University; Gary Herrigel, University of Chicago; and Daniel Luria, Michigan Manufacturing Technology Center), \$329,000 (2001-2004).
- Wisconsin Manufacturing Extension Partnership, grant to the Center on Wisconsin Strategy for Component Manufacturing Supply Chain Study (co-principal investigator with Joel Rogers), \$60,000 (January 1, 2001-June 30, 2002).
- Swedish Council for the Co-ordination and Initiation of Research (FRN), grant to support an international conference on “Constructing Markets, Shaping Production: The Historical Construction of Product Markets in Europe and the United States” (co-principal investigator with Henrik Glimstedt Institute for International Business, Stockholm School of Economics), held on Idöborg island, July 5-6, 2002, 210,000 Swedish kronor.
- World Affairs and the Global Economy Program, University of Wisconsin-Madison, grant for research project on “The Local Uses of Global Networks: A Comparative Study of Industrial Restructuring in a Multinational Corporation”, \$11,272, 1996-7.
- Grants towards the organization of two international conferences on “Americanization and its Limits: Responses to U.S. Technology and Management in Postwar Western Europe and Japan”, held in Madison, March 14-16, 1997: Japan Foundation, \$9,555; SSRC/ACLS Joint Committees on Western Europe and Japan, \$5000; Anonymous Committee, University of Wisconsin-Madison: \$10,000.
- European Commission, Directorate-General for Employment, and Nuffield Foundation Conference Grants, “Employment Strategies, Enterprise Management and Industrial Relations: Britain in Comparative Perspective, 1870-the Present”, (co-principal investigator with Alastair Reid and Steven Tolliday through the Centre for Economic Policy Research), 1987.
- UK Economic and Social Research Council Conference Grant, “The Automobile Industry and Workers: Past, Present and Future”, (co-principal investigator with Steven Tolliday and Paul Thompson), 1984.
- Nuffield Foundation Conference Grant, “Shop Floor Bargaining and the State”, (co-principal investigator with Steven Tolliday) 1982.
- UK Economic and Social Research Council Grant HR F002300411, “The Emergence of Shop Floor Bargaining and Job Control in the British Car Industry” (co-principal investigator with Paul Ryan and Steven Tolliday), 1982-4.

WORK IN PROGRESS/FORTHCOMING

Books and Special Journal Issues

- The Oxford Handbook of Business History* (equal co-editor with Geoffrey Jones), Oxford: Oxford University Press, in press, forthcoming February 2008.
- “The Lisbon Strategy and EU Governance” (equal co-editor with Kenneth Armstrong), symposium in the *Journal of Common Market Studies*, accepted subject to refereeing of papers by the journal editors, to appear in March 2008.
- Changing European Employment and Welfare Regimes: The Influence of the Open Method of Coordination on National Labour Market and Welfare Reforms* (equal co-editor with Martin Heidenreich), book proposal under submission to Routledge.

Learning from Difference: The New Architecture of Experimentalist Governance in the European Union, (equal co-editor with Charles Sabel), collective book project in progress.

Articles/Book Chapters

- “Introduction” (equal co-author with Geoffrey Jones), in Jones and Zeitlin, *Oxford Handbook of Business History*, forthcoming February 2008.
- “The Historical Alternatives Approach”, in Jones and Zeitlin, *Oxford Handbook of Business History*, forthcoming February 2008.
- “Industrial Districts and Regional Clusters”, in Jones and Zeitlin, *Oxford Handbook of Business History*, forthcoming February 2008.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union” (equal co-author with Charles Sabel), forthcoming in the *European Law Journal: Review of European Law in Context*, <http://www.europeanlawjournal.com/>; earlier version published as *European Governance (EUROGOV) Paper* No. C7-02, May 2007, <http://www.connex-network.org/eurogov/pdf/egp-connex-C-07-02.pdf> (peer reviewed working paper series).
- “The Open Method of Coordination and the Governance of the Lisbon Strategy”, article in progress for symposium on “The Lisbon Strategy and EU Governance”, *Journal of Common Market Studies*, to appear in March 2008, pending refereeing by journal editors.
- “The Open Method of Coordination and the Reform of National Social and Employment Policies: Influences, Mechanisms, Effects”, book chapter in progress for Heidenreich and Zeitlin, *Changing Welfare and Employment Regimes*.

Policy Papers

- “Strengthening the Social Dimension of the Lisbon Strategy”, policy paper prepared for the Social Protection Committee of the European Union, May 2007; forthcoming in the *Belgian Review of Social Security* [English, French, and Dutch versions], <http://www.socialsecurity.fgov.be/bib/rbss.htm>, October 2007.
- “A Decade of Innovation in EU Governance: The European Employment Strategy, the Open Method of Coordination, and the Lisbon Strategy”, policy paper prepared for the Portuguese Presidency of the European Union and attached as an annex to the Presidency Paper for the Employment, Social Policy, Health, and Consumer Affairs (EPSCO) Council, Guimaraes, Portugal, July 5-7, 2007.

PUBLICATIONS

Books

- The Open Method of Coordination in Action: The European Employment and Social Inclusion Strategies* (lead co-editor with Philippe Pochet and Lars Magnusson), Brussels: Presses Interuniversitaires Européennes-Peter Lang, 2005.
- Local Players in Global Games: The Strategic Constitution of a Multinational Corporation* (equal co-author with Peer Hull Kristensen), Oxford University Press, 2005 (simultaneous hardback and paperback editions).

- Governing Work and Welfare in a New Economy: European and American Experiments* (lead co-editor with David Trubek), Oxford: Oxford University Press, 2003 (simultaneous hardback and paperback editions).
- Americanization and Its Limits: Reworking US Technology and Management in Postwar Europe and Japan* (lead co-editor with Gary Herrigel), Oxford: Oxford University Press, 2000; paperback edition 2004.
- World of Possibilities: Flexibility and Mass Production in Western Industrialization*, (equal co-editor with Charles Sabel), Cambridge: Cambridge University Press/Éditions de la Maison des Sciences de l'Homme, 1997; paperback edition 2002.
- Between Fordism and Flexibility: The Automobile Industry and Its Workers*, (equal co-editor with Steven Tolliday), Oxford: Berg Publishers/New York: St. Martins, 1992, paperback edition; originally published as *The Automobile Industry and Its Workers: Between Fordism and Flexibility*, Cambridge: Polity Press/New York: St. Martins, 1986.
- The Power to Manage? Employers and Industrial Relations in Comparative-Historical Perspective* (equal co-editor with Steven Tolliday), London and New York: Routledge, 1991.
- Reversing Industrial Decline? Industrial Structure and Policy in Britain and Her Competitors* (equal co-editor with Paul Hirst), Oxford: Berg Publishers/New York: St. Martins, 1989.
- Shop Floor Bargaining and the State: Historical and Comparative Perspectives* (equal co-editor with Steven Tolliday), Cambridge: Cambridge University Press, 1985.
- Divisions of Labour: Skilled Workers and Technological Change in Nineteenth Century Britain* (equal co-editor with Royden Harrison), Brighton/Champaign-Urbana; Harvester/University of Illinois Press, 1985.

Special Journal Issues

- “Supply Chain Governance and Regional Development in the Global Economy” (guest editor), special issue of *Industry and Innovation*, 11: 1-2, March-June 2004.
- “Flexibility in the ‘Age of Fordism’: Technology and Production in the International Automobile Industry” (guest editor), special issue of *Enterprise and Society: The International Journal of Business History* 1: 1, March 2000.
- “State, Democracy, Socialism” (equal co-editor with Paul Hirst), special issue of *Economy and Society*, 20: 2, May 1991.
- “Local Industrial Strategies” (editor), special issue of *Economy and Society*, 18: 4, November 1989.

Articles and Book Chapters

- “Districts industriels et flexibilité de la production hier aujourd’hui et demain” [Industrial Districts and Flexible Production: Past, Present, and Future], in Michel Lescure (ed.), *La mobilisation du territoire: Les districts industriels en Europe occidentale, XVIIe-XXe siècle* [The Mobilization of Territory: Industrial Districts in Europe from the 17th through the 20th Centuries], Paris: Comité pour l’Histoire Économique et Financière de la France, Ministère de l’Économie, des Finances, et de l’Industrie, 2006, pp. 449-73.

Elected member of the Executive Council, Society for the Advancement of Socio-Economics (SASE), 2008-11.

Member of dissertation prize committee, European Union Studies Association, 2005.

Elected Trustee of the Business History Conference, 2002-5. Member of the Print Media Oversight Committee (Chair 2004-5).

Chair and sole member of selection committee for the plenary dissertation session and Hermann E. Krooss dissertation prize in Business History, Business History Conference, 2001.

Elected member of the Executive Committee of the Society for the Study of Labour History, 1986-92.

Seminars, Working Groups, and Research Networks

Seminar Leader (jointly with Jeremi Suri), Faculty Development Seminar on International Governance, University of Wisconsin-Madison, Fall 2007, funded by the Institute for Research in the Humanities, the Center for the Humanities, the College of Letters and Science, and the Center for World Affairs and the Global Economy (WAGE).

Faculty Coordinator, International Institute Governance Research Circle, University of Wisconsin-Madison, 2004-7,

Member of the European Union 6th Framework Programme Network of Excellence on Efficient and Democratic Governance in a Multi-Level Europe (CONNEX), 2005-7.

- Co-organizer of international research network on “Building Social Europe through the Open Method of Coordination (OMCnet)”, co-sponsored by the European Union Center, the Observatoire Social Européen (European Social Observatory), and SALTSA (Swedish Joint Programme for Working Life Research in Europe), 2002-4.
- Leader of European Union Center Themes on “New Approaches to Governance in Europe” (jointly with David Trubek) and “Inclusion and Exclusion in the New Europe” (jointly with Myra Marx Ferree), 2001-2004.
- Co-director of the Research Circle on “Labor and the Global Economy”, International Institute, University of Wisconsin-Madison, (jointly with David Trubek and Gay Seidman), 1997-2004.
- Leader of the European Union Center Theme on “Labor Markets, Employment, and Social Protection: A Transatlantic Dialogue of Work and Welfare”, University of Wisconsin-Madison, (jointly with David Trubek), 1998-2001.
- Member of the action-research network on “Territories, Social Dialogue, and European Employment Policies” (Convener: Robert Salais, CNRS Research Group on Institutions and Historical Dynamics of the Economy/École Normale Supérieure de Cachan), co-sponsored by the European Trade Union Confederation (ETUC), the European Employers’ Confederation (UNICE), the European Centre for Enterprises with Public Participation (CEEP), and the Directorate General for Employment, Industrial Relations, and Social Affairs of the European Commission, 1999-2001.
- Director of the Research Circle on “Competing Varieties of Advanced Capitalism”, Global Studies Research Program, University of Wisconsin-Madison, 1993-6.
- Convener of lecture series on “Industrial Relations and the Global Economy: Convergence or Divergence?”, Global Studies Research Program/Center for International and Comparative Industrial Relations, Comparative Industrial Relations, University of Wisconsin-Madison, 1993-4.
- Convener of the international working group on “Historical Alternatives to Mass Production”, Maison des Sciences de l’Homme, Paris, France, 1986-1994.
- Convener of the seminar on “State and Society in Modern Britain” (jointly with Pat Thane), Institute of Historical Research, University of London, UK, 1985-91.
- Convener of the Birkbeck Centre for Public Policy Studies Seminar series on “Economic and Industrial Policy” (jointly with Paul Hirst), 1989-90.
- Member of the international working group on “Industrial Districts and Inter-Firm Co-operation”, International Institute of Labour Studies, Geneva, Switzerland, 1988-90.

Conferences, Workshops, and Panels Organized

- “Innovative Environmental Governance and Regulation in the EU: Any Lessons for US?”, international workshop co-sponsored by the European Union Center of Excellence, the Center for World Affairs and the Global Economy, and the Multi-State Working Group (MSWG) on Environmental Performance, Madison, June 19.
- “The Lisbon Strategy and the Transformation of EU Governance” (co-organizer with Kenneth Armstrong), panel at the European Union Studies Association 10th Biennial International Conference, Montreal, May 17-19.

- “EU Governance: Towards a New Architecture?” (co-organizer with Charles Sabel), international workshops co-sponsored by the European Union Center of Excellence, the Center for World Affairs and the Global Economy, and the Hewlett Foundation Public Innovations Project, Columbia Law School, December 1-2, 2006; University of Wisconsin-Madison, April 20-22, 2007; Fondation Universitaire, Brussels, October 25-27, 2007 (co-sponsored by the EU 6th Framework Programme REFGOV project and the Center for the Philosophy of Law (CPDR) of the University of Louvain (UCL).
- “Social Europe and the Future of the Welfare State”, international workshop co-sponsored by the European Union Center of Excellence, the Center for World Affairs and the Global Economy, and the Governance Research Circle, UW-Madison, March 5, 2007.
- “Governing Work and Welfare in an Enlarged Europe” (co-organizer with Jessica Winchell), international graduate student conference co-sponsored by the European Union Center of Excellence, the Center for World Affairs and the Global Economy, and the Governance Research Circle, UW-Madison, May 19-20, 2006.
- “Governance after Lisbon” (co-organizer with Kenneth Armstrong and Susana Borrás), international conference sponsored by the UK Economic and Social Research Council project on “Implementing the Lisbon Strategy: Policy Co-ordination through Open Methods”, Europa Institute, University of Edinburgh, April 28, 2006.
- “EU Governance and the Future of Social Europe”, international workshop co-sponsored by the European Union Center of Excellence, the Center for World Affairs and the Global Economy, and the Governance Research Circle, UW-Madison, October 28, 2005.
- “The Open Method of Coordination (OMC) in the Enlarged EU” (co-organizer with Jörg Monar and Jim Rollo, responsible for session on social and employment policy), international workshop sponsored by the European Union 6th Framework Program CONNEX Network of Excellence on Efficient and Democratic Governance in a Multi-Level Europe, Sussex European Institute, University of Sussex, UK, July 8-9, 2005.
- “Enlarging Social Europe: The Open Method of Coordination and the EU’s New Member States”, international workshop co-sponsored by the European Union Center, the Center for German and European Studies, and the Center for World Affairs and the Global Economy, UW-Madison, October 29-30, 2004.
- Fourteenth International Conference of Europeanists, Chicago, March 12-14, 2004 (member of the program committee).
- Roundtable panel on “The Open Method of Coordination: Improving the Effectiveness and Legitimacy of EU Governance?”, Fourteenth International Conference of Europeanists, Chicago, March 12-14, 2004.
- “New Approaches to Governance in European Social and Employment Policy: Open Coordination and the Future of Social Europe”, international workshop co-sponsored by the European Union Center and the Center for World Affairs and the Global Economy, UW-Madison, October 31, 2003.
- “Opening the Open Method of Coordination: The European Employment Strategy in Comparative Perspective” (co-organizer with Philippe Pochet), international workshop, European University Institute, Florence, July 4-5, 2003, co-sponsored by the UW-Madison International Institute, the Observatoire Social Européen, and the SALTSA program.

- Panel on “Global Shipbuilding in War and Reconstruction” (co-organizer with Christopher Tassava), Society for the History of Technology, annual meeting, Toronto, October 15-17, 2002.
- “Supply Chain Governance and Regional Development in the Global Economy”, international research/outreach workshop co-sponsored by the Center on Wisconsin Strategy (COWS), the Center for World Affairs and the Global Economy (WAGE), and the Sloan Foundation Advanced Manufacturing Project (AMP), UW-Madison, September 9-10, 2002.
- “Constructing Markets, Shaping Production: The Historical Construction of Product Markets in Europe and the United States” (co-organizer with Henrik Glimstedt), international conference held at Idöborg, Sweden, July 5-6, 2002, with support from the Swedish Council for the Coordination and Initiation of Research (FRN) and the Institute of International Business, Stockholm School of Economics.
- “The Open Method of Coordination: An Effective and Legitimate Governance Instrument for the European Union? Theoretical Promise and Empirical Realities” (co-organizer with David Trubek, Philippe Pochet, and Caroline de la Porte), international conference, Brussels, June 17-18, 2002, co-sponsored by the UW-Madison European Union Center, the Observatoire Social Européen, the SALTSA program, and the European Commission.
- “Reconfiguring Work and Welfare in the New Economy: A Transatlantic Dialogue” (co-organizer with David Trubek), international conference, European Union Center, UW-Madison, May 10-12, 2001.
- “Work, Welfare, and Governance in Europe and the United States: A Transatlantic Dialogue”, (co-organizer with David Trubek), international conference European Union Center, UW-Madison, April 14-15, 2000.
- “Regional Governance that Works: Models and Experiences in Europe and the United States”, (co-organizer for the European Union Center of the UW-Madison with the Center on Wisconsin Strategy and the European Territorial Excellence Project), Madison, October 7-8, 1999.
- “Globalization and the Good Society”, 11th Annual Conference on Socio-Economics (member of local organizing committee), Madison, July 8-11, 1999.
- “Transferring/Transforming Productive Models: Americanization and Its Limits in Postwar Europe and Japan” (co-organizer with Bo Stråth), international workshop, Department of History and Civilization/Robert Schuman Centre, European University Institute, June 7, 1999.
- “Americanization and its Limits: Responses to US Technology and Management in Postwar Europe and Japan” (co-organizer with Gary Herrigel), international conferences, UW-Madison, March 14-16, 1997 and June 12-14, 1998.
- “Labor and Social Justice in the Global Economy” (co-organizer with Gay Seidman and David Trubek), Madison, April 25-27, 1997, international workshop co-sponsored by the MacArthur Foundation Consortium on International Peace and Cooperation, the Global Studies Program, and the International Institute, University of Wisconsin-Madison.
- Panel on “Skill Formation in Comparative-Historical Perspective: Britain, Germany, and the United States”, Social Science History Association, annual meeting, New Orleans, LA, October 10-13, 1996.

- Panel on “Transferring Automation: Technology and Production Organization in the International Automobile Industry during the the Post-World War II Era”, Society for the History of Technology, annual meeting, London, UK, August 1-4, 1996.
- Panel on “Americanization and its Limits: Responses to US Technology and Management in Postwar Europe”, Business History Conference, Ft. Lauderdale, FL, March 17-19, 1995.
- Panel on “Mass Production and Flexibility at War: Comparative Perspectives on Military Entrepreneurship and Technological Innovation during World War II”, Society for the History of Technology, annual meeting, Washington D.C., October 14-17, 1993.
- Thirtieth Anniversary Conference of the Society for the Study of Labour History on “The Future of Labour History?”, Birkbeck College, University of London, UK, February 24, 1990.
- Economy and Society* Conference on “State, Democracy, Socialism” (co-organizer with Paul Hirst), Birkbeck College, University of London, UK, September 1-2, 1989.
- “Employment Strategies, Enterprise Management and Industrial Relations: Britain in Comparative Perspective, 1870-the Present” (co-organizer with Alastair Reid and Steven Tolliday, international conference co-sponsored by the Centre for Economic Policy Research and DG V of the European Commission, Girton College, Cambridge, UK, September 3-6, 1987.
- “Industrial Structure and Policy in Britain and her Competitors” (co-organizer with Paul Hirst), international conference, Birkbeck College, University of London, UK, July 1986.
- “The Automobile Industry and Workers: Past, Present and Future” (co-organizer with Steven Tolliday and Paul Thompson), international conference sponsored by the UK Economic and Social Research Council, Coventry Polytechnic, UK, June 28-30, 1984.
- Panel on “Shop Floor Bargaining, Job Control and Contract Unionism: An Anglo-American Comparison”, American Historical Association, annual meeting, Washington D.C., December 27-30, 1982.
- “Shop Floor Bargaining and the State” (co-organizer with Steven Tolliday), international conference, King’s College, Cambridge, UK, September 27-30, 1982.

INVITED PAPERS, SEMINARS AND CONFERENCE PRESENTATIONS (SINCE 2000)
(For a full list covering the years 1978-1999, see appendix.)

2007

- “Learning from Difference: The New Architecture of Experimentalist Governance in the EU”, keynote address to the annual conference of the Society for the Advancement of Socio-Economics (SASE), Copenhagen Business School, June 28-30; discussant, “Author Meets Critics” panel on Maurizio Ferrera, *The Boundaries of Welfare: European Integration and the New Spatial Politics of Social Protection* (Oxford University Press, 2005); discussant, panel on “Varieties within Capitalism: Recombination and Conversion”.
- “A Decade of Innovation in EU Governance: The European Employment Strategy, the Open Method of Coordination, and the Lisbon Strategy”, presentation to Expert Seminar on “Policy Coordination on Employment and Social Affairs in the European Union”, organized by the Portuguese Presidency of the EU, Lisbon, May 25.
- “Strengthening the Social Dimension of the Lisbon Strategy”, presentation to an informal meeting of the EU Social Protection Committee, Erfurt, Germany, May 23.

- Discussant, panel on “The Evolution of Networks of European Regulators”, European Union Studies Association 10th Biennial International Conference, Montreal, May 17-19.
- “The Open Method of Coordination and the Governance of the Lisbon Strategy”, presentation to panel on “The Lisbon Strategy and the Transformation of EU Governance”, European Union Studies Association 10th Biennial International Conference, Montreal, May 17-19.
- “The Open Method of Coordination and the Governance of the Lisbon Strategy”, presentation to international conference on “The Lisbon Strategy in a Knowledge Society without Borders”, Institute for Strategic and International Studies (IEES), Lisbon, March 1-2.
- “The Open Method of Coordination and the Reform of National Social and Employment Policies: Influences, Mechanisms, Effects”, presentation to international conference on “Changing European Employment and Welfare Regimes: The Impact of the Open Method of Coordination on National Labour Market and Welfare Reforms”, University of Bamberg, February 23-24.
- “The Open Method of Coordination and the Reform of National Social and Employment Policies: Influences, Mechanisms, Effects”, presentation to international conference on “The Europeanization of Social Policies”, Centre de Recherches Politiques de Sciences Po (CEVIPOF) and Belgian Federal Ministry of Social Affairs, Brussels, February 8-9.

2006

- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to the EU 6th Framework Research Programme Network of Excellence on Efficient and Democratic Governance in a Multi-Level Europe (CONNEX) conference on “Democracy, Rule of Law, and Soft Modes of Law in the European Union”, Roskilde University, Denmark, November 10-11.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to international seminar on the “Theory of Governance”, organized by the EU 6th Framework Research Programme Integrated Project, “Reflexive Governance in the Public Interest” (REFGOV), Brussels, October 26-27.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to the EU 6th Framework Research Programme project, TRANSLEARN (Transnational Learning through Local Experimenting), Helsinki School of Economics, August 28-30.
- Respondent, “Authors Meet Critics” panel on Peer Hull Kristensen and Jonathan Zeitlin, *Local Players in Global Games: The Strategic Constitution of a Multinational Corporation*; discussant, “Authors Meet Critics” panel on Ida Regalia (ed.), *Regulating New Forms of Employment*, annual conference of the Society for the Study of Socio-Economics (SASE), Trier, Germany, June 30-July 2.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to ARENA seminar, Centre for European Studies, University of Oslo, June 13.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to conference on “Law and New Governance”, EU New Modes of Governance (NEWGOV) project, Law Task Force, University College, London, May 27-8.

- “The Lisbon Strategy, the Open Method of Coordination, and the Future of EU Governance”, presentation to conference on “Governance after Lisbon”, UK Economic and Social Research Council series on “Implementing the Lisbon Strategy: Policy Co-ordination through Open Methods”, Europa Institute, University of Edinburgh, April 28.
- “The European Union and Multinational Corporations: Two Forms of Governance beyond the Nation-State”, presentation to international workshop on “Democracy, Markets and War”, organized by the United Nations Alliance of Civilizations, New York City, April 12-13.

- “Opening the Open Method of Coordination: Participation and Legitimacy in EU Experimentalist Governance”, presentation to Hallsworth Conference on “Opening Up Governance”, Institute for Political & Economic Governance (IPEG), University of Manchester, March 16-17.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, seminar presentation to European Policy Research Unit, Department of Politics, University of Manchester, March 15.
- “Learning from Difference: The New Architecture of Experimentalist Governance in the European Union”, presentation to International Interdisciplinary Seminar, University of Pennsylvania, February 24.

2005

- “Experimentalist Governance and Social Europe: The Open Method of Coordination and Beyond”, seminar presentation to Centre for Business and Politics, Copenhagen Business School, November 11.
- “The Lisbon Strategy, the Open Method of Coordination, and the Future of EU Socio-Economic Governance”, presentation to international workshop on “Europe after Lisbon: The New Politics of Competitiveness in the EU”, Jean Monnet Centre of Excellence, Roskilde University, Denmark, November 10.
- “The Open Method of Coordination: Effective and Legitimate?”, keynote presentation to the mid-term conference of the EU 6th Framework Research Programme Network of Excellence on Efficient and Democratic Governance in a Multi-Level Europe (CONNEX), University of Mannheim Center for European Studies (MZES), November 3-5.
- “Experimentalist Governance and Social Europe: The Open Method of Coordination and Beyond”, seminar presentation to University of Amsterdam Graduate School for Social Research (ASSR), October 21.
- “Experimentalist Governance and Social Europe: The Open Method of Coordination and Beyond”, seminar presentation to Institute for European Studies, Cornell University, September 21.
- Discussant, “Institutional Change in Varieties of Capitalism” (paper by Peter Hall and Kathleen Thelen), annual conference of the International Sociological Association (ISA) Research Committee (RC) 19 (“Poverty, Social Welfare and Social Policy”), Chicago, September 8-10.

- “The Open Method of Coordination in Action: Lessons from the European Employment and Social Inclusion Strategies”, keynote address to the workshop on “Options for the Application of the Open Method of Coordination in European Spatial Development”, German Federal Office for Building and Regional Planning”, Bonn, September 2.
- “The Open Method of Coordination in Action: The European Employment and Social Inclusion Strategies”, presentation to CONNEX international workshop on “The Open Method of Coordination: Extending the Policy Coverage and Multi-Level Governance”, Sussex European Institute, University of Sussex, Brighton, July 8-9.
- “Social Europe and Experimental Governance”, presentation to international seminar program on “The Frontiers of Research in the Social Sciences”, Graduate School in Social, Economic, and Political Sciences, University of Milan, June 10.
- “The Open Method of Coordination in Action”, keynote address to workshop on “Perspectives on Social Governance in the EU: The Open Method of Coordination in Action”, Research Unit on European Governance (URGE), Collegio Carlo Alberto, Moncalieri, Turin, June 9.
- “The Open Method of Coordination and Multi-Level Governance in the European Union”, presentation to European Center for Local and Regional Development, Department of Social and Political Sciences, Faculty of Political Science, University of Florence, June 7.
- “The Open Method of Coordination and the Future of the Lisbon Strategy”, presentation to lunchtime seminar, Social and Political Studies Department, European University Institute, Florence, June 6.
- “The Open Method of Coordination and the Future of the Lisbon Strategy”, keynote address to UK Economic and Social Research Council conference, “What’s Left of Lisbon? Implementing the Lisbon Strategy: Policy Co-ordination through ‘Open’ Methods”, London School of Economics, June 3.
- Chair and discussant, panel on “Americanizing European Enterprise”, Business History Conference, Minneapolis, May 19-21.
- “Americanization and Europeanization: Crossnational Transfers and Social Learning in Western Europe from the Marshall Plan to the Open Method of Coordination”, presentation to interdisciplinary conference on “Europeanization and Americanization: Rival Projects or Synonyms?”, St. Antony’s College, Oxford, April 15-17.
- Chair and discussant, panel on “The Influence of the Open Method of Coordination on Member States: Comparing Eastern and Western European Countries”, 9th Biennial International Conference of the European Union Studies Association (EUSA), Austin, TX, March 31-April 2.

2004

- Discussant, workshop of EUROCAP network (EU FP5 program), “Social Dialogue, Employment and Territories: Towards a European Politics of Capabilities”, Work Package 4, “From Local Agencies to Macroeconomic Instruments (Policies, Indicators) and Discourses”, École Normale Supérieure de Cachan, December 3.
- “The Open Method of Coordination in Action” and “Opening the Open Method of Coordination: A Reflexive Reform Strategy”, presentations to conference on “The European Employment Strategy: Discussion and Institutionalisation”, organized by the Observatoire Social Européen with support from the European Commission and the European Trade Union Confederation, Brussels, August 30-31.

- Discussant, panel on “Political Entrepreneurship in the Soviet Union, China, and the United States”, Business History Conference, Le Creusot, France, June 16-19.
- “Work, Welfare, and Citizenship”, comment presented to graduate student conference on “Changing Welfare States: Exploring European Social Policies and Populations in Time and Space”, University of Chicago, May 28-29.
- “Open Coordination, Convergence, and Hybridization in European Welfare States”, comment presented to plenary session of COST A15 conference on “Reforming Social Protection Systems in Europe”, Nantes, France, May 21-22.
- “The Open Method of Coordination: Improving the Effectiveness and Legitimacy of EU Governance?”, presentation to roundtable panel on the Open Method of Coordination, 14th International Conference of Europeanists, Chicago, March 12-14, 2004.
- “Industrial Districts and Flexible Production: Past, Present, and Future”, concluding keynote paper to international conference on “La mobilisation du territoire: Les districts industriels en Europe occidentale du XVIIIe au XXe siècle” [“The Mobilization of Territory: Industrial Districts in Western Europe from the 17th through the 20th Centuries”], Committee for the Economic and Financial History of France, Ministry of Economics, Finance, and Industry, Paris, February 5-6.

2003

- “The Open Method of Coordination and Social Protection: Constructing an EU Social Model?”, series of three lectures presented at the Academy of European Law specialized course on “EU Law and the Welfare State: In Search of Solidarity”, European University Institute, Florence, July 7-9.
- “Local Players in Global Games: Lessons from within a Multinational Enterprise”, paper to workshop on “Changing Industrial Relations in Economies of Globalizing Firms”, held at the Danish Trade Union Confederation (LO) School, Elsinore, June 30-July 1.
- “Social Europe and Experimental Governance: Towards a New Constitutional Compromise”, presentation to the International Conference of the Hellenic Presidency of the European Union, “The Modernisation of the European Social Model & EU Policies and Instruments”, Ioannina, Greece, 21-22 May.
- “The Open Method of Coordination and the EU’s Evolving Political Structure”, presentation to international workshop on “The Open Method of Coordination and Economic Governance in the European Union”, Minda de Gunzburg Center for European Studies, Harvard University, April 28.
- “Governing Decentralized Production: Institutions, Public Policy, and the Prospects for Inter-Firm Cooperation in the United States” (co-author with Josh Whitford), paper to international conference on “Redrawing the Boundaries of the Firm: Outsourcing in Post-Fordist Industry”, Institute of Sociology, University of Turin, February 28-March 1.
- Discussant, Workshop on the Mid-Term Review of the EU 5th Framework Programme Project on “EU Governance through Self-Coordination: Towards a Collective *Gouvernement Economique*” (GOVECOR), Brussels, January 10-11.

2002

- “Local Players in Global Games: The Strategic Constitution of a Multinational Corporation”, keynote address to conference on “Confini e trasgressione di confini nella sociologia economica, del lavoro, dell’organizzazione” [Boundaries and their Transgression in Economic Sociology, the Sociology of Work, and Organization], Italian Sociological Association – Economic, Labor, and Organization section (AIS-ELO), Cagliari, October 25-6.
- “The Rise and Fall of ‘Coordinated Specialization’: Productive Alternatives and Public Choices in British Shipbuilding, 1936-1964”, paper to panel on “Global Shipbuilding in War and Reconstruction”, annual meeting of the Society for the History of Technology (SHOT), Toronto, October 17-20.
- “Opening the Open Method of Coordination”, keynote address to conference organized by the European Union Committee of the Regions on “Improving European Governance? The Open Method of Coordination”, Brussels, September 30-October 1.
- “Local Players in Global Games: Subsidiaries, Headquarters, and the Strategic Constitution of a Multinational Corporation”, paper (co-author with Peer Hull Kristensen) to panel on “National Models and Transnational Institutions”, annual meeting of the American Sociological Association, Chicago, IL, August 16-19.
- “The Open Method of Coordination and the Future of the European Employment Strategy”, presentation to mini-hearing of the Employment and Social Affairs Committee of the European Parliament on the first five-year evaluation of the Employment Guidelines, Brussels, July 8.
- “Governing Work and Welfare in a New Economy: European and American Experiments”, seminar on “The Active Welfare State/L’*état social actif*”, Catholic University of Louvain, June 25.
- “Ten Open Questions about the Open Method of Coordination”, keynote address to 2nd Summer School in European Social Policy Analysis, “New Modes of Governance for European Social Policies”, University of Pavia, June 13.

2001

- “Global Restructuring and the Challenge to Wisconsin’s Manufacturing Base”, WAGE/LaFollette “Critical Choices” breakfast series, Concourse Hotel, Madison, December 13.
- “Productive Alternatives: Flexibility, Governance, and Strategic Choice in Industrial History”, paper presented to the seminar on Technology, Politics, and Culture, Newberry Library, Chicago, December 7.
- “A Global Game Enacted by Local Players: Headquarters, Subsidiaries, and the Strategic Constitution of a Multinational Corporation”, paper presented to the UK Economic and Social Research Council Transnational Communities Programme Conference, “Multinational Enterprises: Embedded Organisations, Transnational Federations, or Global Learning Communities?”, Warwick Business School, September 6-8.
- “Rationalization Misconceived: Productive Alternatives and Public Choices in British Shipbuilding, 1940-1990”, paper presented to international conference on “Engineering Postwar Industry”, Center for Business, Technology, and Society, Hagley Museum and Library, Wilmington, DE, July 13-14.

“New Approaches to Social Governance in Europe”, comment presented to the conference on “Law and New Approaches to Governance in Europe”, European Union Center, UW-Madison, May 29-30.

“Constructing Social Europe: Social Dialogue, Subsidiarity, and the Open Method of Coordination”, comment presented to the European conference “Pour une politique européenne des capacités. Un cadre du travail entre chercheurs et acteurs du dialogue social européen”, sponsored by the Social Affairs Directorate-General of the European Commission, Brussels, January 12-13.

2000

“Common Problems and Collaborative Solutions: The Wisconsin Manufacturing Extension Partnership’s Supplier Training Consortium”, presentation to L’Institute International Workshop on “Enterprise Strategies and Regional Growth in the New Global Economy”, University of Wisconsin-Milwaukee (organized jointly with the Universities of Birmingham, UK, and Ferrara, Italy), July 21.

Panelist, Plenary Roundtable, “Did the Machine Change the World? Which Production Model(s) for the 21st Century?”, 8th International Colloquium of GERPISA (Permanent Research Group on the Automobile Industry and Its Employees”, Paris, June 8-10.

“Industrial Americanization and its Limits in Postwar Europe”, paper to international conference on “L’américanisation du droit: Mythes ou réalités?”, organized by the Association française de philosophie du droit”, Paris, June 8-9.

“Industrial Americanization and Its Limits in Postwar Europe and Japan”, presentation to seminar on “Droit, économie et ‘globalisation’”, Maison des Sciences de l’Homme “Ange Guépin”, Nantes, May 30.

“Local Players in Global Games”, presentation to international workshop on “Islands of Globalization”, Institute of International Business, Stockholm School of Economics, May 27-29.

“Industrial Americanization and its Limits in Postwar Europe”, paper to international conference on “Les années 1950: Les savoirs et leur reconfiguration pour l’action”, Centre Alexandre Koyré d’Histoire des Sciences et des Techniques”, Paris, May 25-6.

École des Hautes Études en Sciences Sociales, Paris, two lectures on “The ‘Productive Alternatives’ Approach to Industrial History”, May 17.

“The Making of a Global Firm: Local Pathways to Multinational Enterprise”, paper to panel on “European Firms and Industries in a Global Economy: Beyond Path Dependency and Convergence”, Twelfth International Conference of Europeanists, Chicago, March 30-April 1.
